

REMPEC

REGIONAL MARINE POLLUTION EMERGENCY RESPONSE CENTRE FOR THE MEDITERRANEAN SEA
CENTRE REGIONAL MEDITERRANEEN POUR L'INTERVENTION D'URGENCE CONTRE LA POLLUTION MARINE ACCIDENTELLE

INFORMATION SHEET

DATE: **Webinar to enhance regional cooperation in responding to Marine Oil and HNS pollution in the Mediterranean (MEDEXPOL 2020), 27-28 October 2020** hereinafter referred to as the Webinar, will open on Tuesday, 27 October 2020 at 10:00 hours and is expected to close on Wednesday, 28 October 2020 at 12:30 hours.

PLATFORM: The webinar will be held through an e-conferencing platform with remote simultaneous interpretation.

REGISTRATION: All participants are kindly requested to complete [the Registration Form available online](#).

Please note that the webinar is open to no more than **three (3) participants** from each of the Contracting Parties to the Convention for the Protection of the Marine Environment and the Coastal Region of the Mediterranean ("the Barcelona Convention").

Please note that the Registration Form cannot be changed once it is submitted.

Registered participants will be provided with a dedicated web link which will allow them to join the webinar online.

The online meeting room will be opened at 0930 hours (Malta local time or GMT+2), and all registered participants are requested to join the webinar before 0945 hours (Malta local time or GMT+2).

DOCUMENTATION: The Meeting documents will be posted on the Centre's webpage: <https://www.rempec.org/en/events/rempec-events/webinar-regional-workshop-to-enhance-cooperation-in-the-mediterranean-medexpol-2020>, in due time.

LANGUAGES: The working languages of the webinar will be English and French. Some materials/documents will be available in both languages while other documents, including the presentations, will be available in their original language(s) (English or French) only. Simultaneous English/French/English interpretation services will be provided during the webinar.

HOW TO CONNECT TO THE WEBINAR: Further information regarding the webinar platform will be communicated to registered participants closer to the date of the event.
