EU Network of Stand-by Oil Spill Response Vessels

MAR-CIS

CleanSeaNet

MAR-ICE

Planned from 1 January 2025

SAFEMED V
project funded by
the European Union

Sustainability: Studies and exercises

Oil pollution exercise

PRF studies

LNG Studies

SAFEMED V
project funded by
the European Union

Geopolitical situation in the region

Lack of human resources
by the beneficiaries

Frequent changes of management
and lack of uniform approach to
the project
